dream big

set your own salary

At BeautiControl, you have two ways to make immediate income any day you choose.

You can earn up to \$250 profit with a \$500 spa.

- Hold 2 spas a month, get \$500 profit
- 4 spas = \$1,000 a month
- What would you do with an extra \$1,000 a month?

Add additional income from reorder clients.

- Enjoy repeat business from clients who order from you month after month.
- When just 5 clients order a Maintenance skin care set from you, make up to \$160 a month additional.
- Ten clients = \$320. That's in addition to your spa earnings.

That's Any Time Money

Disclaimer: Profit potential is based on a 50% discount level and the examples are for illustration purposes only. Individual results may vary.

How much do you want to make this month?

My goal is to make \$_____.

To reach my goal, I will:

Hold #_____ spas a month for a potential profit of \$_____

Add orders from #_____ clients a month for a potential profit of \$_____

Spa sales + client sales = \$_____ total monthly profit potential

you can do this

work flexible hours

BeutiControl fits your life beautifully, working around the things that matter most — your priorities for family, work, personal growth and play.

- As an Independent Consultant, you can earn immediate income, working around what you're already doing. You are in control of your own time because you control your calendar.
- The average bc spa takes approximately 1½ hours.
- The time it takes to provide follow-up service for your clients' skin care needs is even less.

See how easy it is to earn Any Time Money holding just two spas a week that work around your life.
